

REMARKS

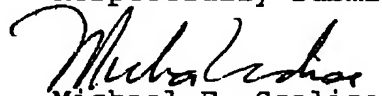

Claims 1 to 52 are pending. No claims are allowed.

1. The examiner indicates that the following inventions are claimed in this application: claims 1 to 45 (Group I) drawn to a first battery and claims 46 to 52 (Group II) drawn to a second battery. The applicants elect to prosecute the inventions of Group I and cancel the claims of Group II, with traverse.

2. Attached is a Revocation of Power of Attorney With New Power of Attorney and Change of Correspondence Address along with a Statement Under 37 CFR 3.73(b).

A substantive action on the merits of the pending claims is requested at an early date.

Respectfully submitted,

Michael F. Scalise
